The critical order through which the expectant mother must pass, however, is so fraught with dread, pain, suffering and danger, that the very thought of it fills her with apprehension and horror. There is no necessity for the reproduction of life to be either painful or dangerous. The use of Mother's Friend so prepares the system for the coming event that it is safely passed without any danger. This great and wonderful

of women through

It's the new Regal Specifications Tag-and it's mighty good shoe insurance.

There have always been more secrets in the inner parts of shoes than in any other article of wearing apparel-and the 52% advance in the cost of shoe materials is making this situation worse this Fall than ever.

That's why we show you a signed statement of the materials used in your Regals before you pay for them. The Regal is an honest shoe, made of the best materials in every part, regardless of cost-and we prove it beforehand.

That's where the tag comes in: you get your proof in black and white, and you don't take any chances in buying Regals.
